

# The Board Project

Noah & Andris · 12 Weeks

---

Weekly Journal

# Week 1 First Contact

Meet the shapers. Pick the shape. Order the blank.

The Board Project · Noah & Andris

Date: \_\_\_\_\_

## What we did

Where were we? What did we work on? Who helped?

.....

.....

.....

.....

## What Daniel showed us / corrected

.....

.....

.....

## Noah's turn

Draw something from today

The best part was:

.....

The hardest part was:

.....

I want to remember:

.....

Next time I want to try:

.....

## Andris's turn

Observations, things to ask Daniel, corrections, links

.....

.....

.....

.....

.....

.....

.....

.....

## Before we leave

1 photo + 1 short video clip

Close-ups of what we worked on

Noah picks his favorite photo

Noah drew or wrote something

# Week 2 Anatomy

Daniel walks us through a board. Parts, foam types, rocker.

The Board Project · Noah & Andris

Date: \_\_\_\_\_

## What we did

Where were we? What did we work on? Who helped?

.....

.....

.....

.....

.....

## What Daniel showed us / corrected

.....

.....

.....

## Noah's turn

Draw something from today

The best part was:

.....

The hardest part was:

.....

I want to remember:

.....

Next time I want to try:

.....

## Andris's turn

Observations, things to ask Daniel, corrections, links

.....

.....

.....

.....

.....

.....

.....

.....

## Before we leave

1 photo + 1 short video clip

Close-ups of what we worked on

Noah picks his favorite photo

Noah drew or wrote something

# Week 3 Design Theory

Daniel explains our board's design choices. Rails, contours, tail.

The Board Project · Noah & Andris

Date: \_\_\_\_\_

## What we did

Where were we? What did we work on? Who helped?

.....

.....

.....

.....

## What Daniel showed us / corrected

.....

.....

.....

## Noah's turn

Draw something from today

The best part was:

.....

The hardest part was:

.....
